

ARE YOU READY TO GO INTERNATIONAL?

The Landing Pad is a network of soft-landing platforms that will give you the opportunity to make first contact with international markets and startup ecosystems.

FOR WHOM?

You are a tech-based startup and:

- You want to grow and check out if other markets are for you.
- You have clear, specific goals you want to achieve during your stay.
- Your product is clearly defined and you have started talking to clients.

WHAT'S IN IT FOR YOU

- Office space at our partners' offices
- Receive exclusive access and information about their startup ecosystem
- Exchange knowledge and experiences with the teams in their accelerator and incubator
- Gain visibility through their Social Networks and Web Page

DURATION

The stay duration can last from one and up to four weeks. We will get you in touch with your selected partner to arrange the dates that best suit you.

COST

Free of charge!

LOCATION

We have partners in:

- Madrid - Tetuan Valley (Campus Madrid)
- Milan - PoliHub
- Paris - HEC (Station F)
- Amsterdam - ACE Accelerator
- Singapore - German Accelerator Southeast Asia
- Shenzhen - LeaguerX

APPLY

To participate in our Landing Pad, fill out [this form](#) at least four weeks in advance. We will then get in touch with your selected partner to check the availability.

If you have any questions, get in touch with Marisa Schneider, Coordinator International Cooperation marisa.schneider@unternehmertum.de
